Dear Sir/Madam,

We write to bring the above stated value to the members of your Chapter. You will recall that in 2015 Annual Full Gospel Business Fellowship International's Convention; held at National Theater, Iganmu; I made a presentation on the topic: THE 21ST CENTURY DIGITAL MARKETING AND PERSUASION TECHNOLOGY FOR BUSINESS OWNERS!

Yes, it is already two years since the presentation and you may have lost the memory of it, but if you check the Brochure, you will find Timothy Anietie on the list and the youngest Speaker at that convention.

I and my entire team will like to have a one day Business Training with the members of your Chapter who run Businesses, to work with and reposition their Businesses by implementing the new Marketing Structure and Digital Automation for effective Business delivery in this era.

**Here are the areas our focus will be on:**

Business Split Testing Exercise through your Marketing System (Website) to enhance conversion.

Review of every Business' Marketing System (Website, if any or help them Create one)

Creating an effortless Business System through Digital Structure

Integrating an Instant feedback Digitally, while you attend to other Business demand

Real Time Customer Analysis with tools for questionnaire that captures their needs

Effective Application of immediate Yes Formular

Optimized Business Visibility through Digital Means

High Tech Graphical Email Marketing and Automation System

Result Oriented Business Website with inculcated Marketing System

Effective Digital Marketing & Persuasion Technology for Business Growth

# REAL TIME DIGITAL ANALYZER FOR EFFECTIVE BUSINESS AUTOMATION

## PROPOSED DATES AND TIME

This is subject to review and agreement between your Chapter and Our Team. We will like to have a day that favourable for you and your Chapter, while we review and get back to you. However, we will suggest a Saturday of your Business Meeting Day.

Note: We are coming for a practical and effective training and your members should be advised to come with their gadgets and Business tools.

We guarantee that this training will boost your member's Business and expand their awareness as well as automate their Business operation.

Thank you in anticipation of your kind approval. The undersigned is most willing to discuss any issues or changes if necessary.

Yours sincerely,

Timothy Anietie
